Karin Pauer: FIVE HUNDRED THOUSAND YEARS OF MOVEMENT

Eintritt: 14/12

tanz_house Studio

In FIVE HUNDRED THOUSAND YEARS OF MOVEMENT arbeitet Karin Pauers Körper daran, die gesamte Entwicklungsgeschichte des Universums darzustellen. In diesem schier megalomanischen Unterfangen versucht sie unermüdlich, sich und ihren Körper in einem kosmischen Maßstab zu lokalisieren. FIVE HUNDRED THOUSAND YEARS OF MOVEMENT feiert die Bedeutungslosigkeit unserer Existenz und die Potentialität des Jetzt.

FIVE HUNDRED YEARS OF MOVEMENT is a practice of change; is a constant search of the next form; is an attempt at becoming the person one was always meant to be; is practicing anthropomorphism; is a dance set against the backdrop of eternity.

The person I am now is as transient, as fleeting and as temporary as all the people, I have ever been and as all previous and future life forms.
